

## **Bid Request**

Marion County Housing Authority (MCHA) is requesting bids for the following project:

### **Project #20-065**

Gutter Work

Various locations

Centralia, IL

MCHA is looking to procure a contractor to perform guttering work. Scope of work is outlined below. MCHA encourages all MWBE & Section 3 contractors to apply.

Fifteen (15) buildings need assessed (as noted on attached map). Based on that assessment, contractor will note what portions are salvageable (cost effectively) and what portions need to be replaced. Contractor to provide pricing for acceptable finished guttering work (either through repair or replacement, or combination of both) that meets the following criteria:

- Buildings to have 5" seamless gutters with at least 4" downspouts.
- Use two straps (per standard recommendation) per downspout. Straps can be wrap around or side mount but should have a factory finished edge (no sharp, unfinished edges from trimming).
- Downspouts must be plumb.
- For buildings that have downspout drain lines, the downspout will have to be attached to the drain pipe with a correct size transition and as close to ground level as possible (some drain pipes may need to be cut down). Flags are marking the location of drains that are not currently visible due to landscaping. Buildings with drains are noted on the attached map.
- For buildings that do not have downspout drain lines, a finished downspout with elbow should be within 6" of the ground. MCHA will install splash blocks after project completion.
- Gutter should be installed behind drip edge.
- Hangers should be installed and secured with no more than 3' between hangers.
- Gutters, downspouts, straps and drain line transition pieces all to be white in color.
- Gutters should extend ½" to ¾" beyond the shingles at the end of every gutter run.
- Gutter guards should be quoted as an additional option.

**Contactors are asked to contact MCHA Mod Manager, Kenny Shelton, at [kshelton@mchahomes.org](mailto:kshelton@mchahomes.org) to arrange a site visit appointment.**

Contractor must receive approval from Mod Manager before submitting invoice.

**Marion County Housing Authority  
719 E Howard St.  
PO Box 689  
Centralia, IL 62801  
618.532.1894**

If any unknown issues arise during the performance of work, and issues need to be addressed in order for work to be completed in a satisfactory manner, please notify MCHA immediately to address the issue.

Contractor shall be responsible for all repairs to damage of building(s), drives, fences, landscaping, etc. caused by their employees or vendors during the work process. All repairs shall be made to owner's satisfaction at contractor's expense. If the condition is not remedied to the satisfaction of MCHA, liquidated damages in an amount equal to the expense to restore the condition acceptable to MCHA will be assessed against the contractor as a deduct from the contract price.

***Bids must be received no later than 4:00 pm on Wednesday, August 26, 2020.***

#### **General Requirements and Information**

- All contractors must adhere to the Davis-Bacon and Related Acts. For information, please visit their website at <https://www.dol.gov/whd/govcontracts/dbra.htm>. Contractors will be required to submit certified payroll reports before issuance of payment. Payroll reports must be submitted weekly.
- All proposals should be accompanied by a current Certificate of Insurance (general liability and workers compensation). Should your company be awarded a contract, MCHA must be listed as an additional insured and an updated Certificate of Insurance must be sent to MCHA directly from the insurance broker.
- All proposals should be accompanied by a copy of any applicable license(s) pertaining to the Scope of Work listed above.
- All proposals must be received by the date/time mentioned above in order to be considered. Proposals can be delivered via e-mail to [thiggins@mchahomes.org](mailto:thiggins@mchahomes.org) or hand delivered/drop boxed to MCHA at 719 E Howard, Centralia, IL.
- Please reference the Project # when submitting a proposal.
- For questions regarding the Scope of Work, please contact Kenny Shelton at [kshelton@mchahomes.org](mailto:kshelton@mchahomes.org). For questions regarding the General Requirements and Information, please contact Tricia Higgins at [thiggins@mchahomes.org](mailto:thiggins@mchahomes.org).

Superseded General Decision Number: IL20190043

State: Illinois

Construction Type: Residential

County: Marion County in Illinois.

RESIDENTIAL CONSTRUCTION PROJECTS (consisting of single family homes and apartments up to and including 4 stories)

Note: Under Executive Order (EO) 13658, an hourly minimum wage of \$10.80 for calendar year 2020 applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2015. If this contract is covered by the EO, the contractor must pay all workers in any classification listed on this wage determination at least \$10.80 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in calendar year 2020. If this contract is covered by the EO and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must pay workers in that classification at least the wage rate determined through the conformance process set forth in 29 CFR 5.5(a)(1)(ii) (or the EO minimum wage rate, if it is higher than the conformed wage rate). The EO minimum wage rate will be adjusted annually. Please note that this EO applies to the above-mentioned types of contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but it does not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(2)-(60). Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

=====  
 Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their

own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at [www.dol.gov/whd/govcontracts](http://www.dol.gov/whd/govcontracts).

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

-----

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of ""identifiers"" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

#### Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

#### Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

#### Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

---

#### WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- \* an existing published wage determination
- \* a survey underlying a wage determination
- \* a Wage and Hour Division letter setting forth a position on a wage determination matter
- \* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations  
Wage and Hour Division  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage

payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
