Addendum No. 1 – RFQ #26-123 – Countywide Tree Removal

Issued: November 4, 2026

This Addendum provides clarifications to the Request for Quotes (RFQ) in response to questions received. The information contained herein shall be incorporated into the RFQ documents and shall supersede any conflicting information previously issued.

Questions & Answers

Question 1: Should straw bales or straw blankets be used?

Answer 1: Due to the nature of the tree removal work and the lack of slopes, straw bales shall be separated and evenly spread to promote optimal vegetation growth. Straw mats or straw blankets are not required for this application.

Clarifications

1. Location Reference List for Tree Removal Sites

We have received multiple questions regarding the tree locations and the difficulty in locating them. Originally, it was believed that the provided maps contained sufficient information to identify each location. However, based on feedback, additional clarification is necessary.

Please reference the list below, which correlates each town with the map identification number shown in the upper-left corner of the maps included in the original solicitation (formatted as 57-XX).

- 57-01/57-12 = Centralia, IL
- 57-02 = Salem, IL
- 57-08 = Patoka, IL
- 57-11 = Alma, IL
- 57-13 = Kinmundy, IL

Please reference the street names in conjunction with the corresponding town listed above to accurately identify and locate the tree removal sites.

Acknowledgment

Please ensure that Addendum No. 1 is acknowledged on your submitted quote for RFQ #26-123.
