

Addendum No. 1 – RFQ #26-77 – Laundry Room Exhaust Fan Installation

Issued: October 8, 2026

This Addendum provides clarifications to the Request for Quotes (RFQ) in response to questions received and includes a correction to the project and pre-quote meeting address. The information contained herein shall be incorporated into the RFQ documents and shall supersede any conflicting information previously issued.

Questions & Answers

Question 1: Is attendance at the pre-quote meeting mandatory, and does attendance need to be documented?

Answer 1: No. Attendance at the pre-quote meeting is not mandatory. However, attendees will be asked to sign an attendance sheet that includes their contact information. This sign-in sheet will be used solely to document attendance.

Clarifications

1. Correction to Project and Pre-Quote Meeting Address

It was discovered that the address listed in the RFQ, **606 Illinois Street, Alma, IL**, was incorrect. This address is for another Housing Authority property and is not the location of this project. The correct project and pre-quote meeting location is **300 W Bond St, Patoka, IL**. The site map included in the RFQ remains substantially accurate; however, the "2B" units are located on the opposite side of the building. We apologize for this error and any confusion it may have caused. This correction supersedes the address previously listed in the RFQ.

Acknowledgment
